

Looking for a summer job?

BE A LIFEGUARD!

Lifeguarding is an ideal job for anyone who wants to **make good money** while **spending the summer outdoors**.

As a lifeguard, you will deal with lifesaving issues and be **responsible for the safety and well-being** of hundreds of people on a daily basis.

To do this, you must have good public relations skills and be able to work under pressure, keeping in mind that the public will **look to you as a role model**.

Many of the skills you develop as a lifeguard **transfer to future positions**:

good communication skills, working cooperatively with a diverse group of coworkers and patrons, and a responsible attitude.

Members of our team make friendships that endure a lifetime!

Apply now for priority scheduling!
Interviews begin in January.
