## Procedures

1. All swimmers must be registered athletes of USA Swimming. In order to comply with USA Swimming regulations, all swimmers must be registered as athletes with USA Swimming before competing.
2. Each contestant may enter a total of three (3) individual events per day.
3. Qualifying Time Standard: No qualifying standards will be used for this meet.
4. Any preliminary event, which has six (6) or fewer entrants, will be swum only as a championship final event at the evening session.
5. Relay participants may be declared at the meet, but they must be limited to swimmers entered in the meet unless named on the entry form as "Relays only."
6. Positive check-in will be required for the 500-yard Free and the 400-yard IM events on Friday evening. All other events will be pre-seeded for all sessions and will not be re-seeded on deck in the event of a scratch, except at the discretion of the on-deck referee.
7. IN ACCORDANCE WITH USA SWIMMING INC. RULES AND OHIO SWIMMING: "On the final day of a prelim/finals meet, failure of any unexcused athlete to properly scratch finals or consolation finals shall result in a \$25.00 penalty fee being charged against that swimmer. The penalty fee shall be paid promptly to the host team".

8. Swimmer's age on January 20, 2012 will determine the eligibility for the age division.
9. A swimmer competing as "unattached" may not be entered as a member of a relay team.
10. Deck entries will be permitted at the discretion of the Meet Director and only if space permits on a first come, first served basis. Deck entries will close 30 minutes prior to the start of the session in which the event will be swum. The Meet Director reserves the right to limit the number of entries. Swimmers will be placed in the first available lane or in any other heat if there is a scratch.
11. All 400 and 500-yard individual events will be deck seeded with the first heat comprised of the slowest times entered and the last heat comprised of the fastest times entered. Swimmers must check-in for deck-seeded events. Check-in for all deck-seeded events will close 45 minutes prior to the start of the session in which the even will be swum.
12. All coaches will be required to sign-in prior to each session and present their USA Swimming Coaching Membership Card to a Meet Director.
13. The Meet Director reserves the right to limit the 200, 400, and 500-yard events to the fastest three (3) heats, if necessary to keep sessions under 4 hours. Limits might also be imposed on relay entries to the fastest 2 relays per team (A and B relay).
14. Swimmers in 500-yard events must supply their own timer and lap-count person.
15. Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.
16. Swimmers with Disabilities:
  - Enter the swimmer on Hy-Tek or the paper entry form.
  - Provide advance notice of any necessary accommodations.
  - List in the email with the Hy-Tek entry (or on paper) the swimmer's name, entry times, strokes/distances, days/sessions, and how the swimmer prefers to be seeded. Swimmers with a disability will be seeded with the same age group in either the same distance race or a longer distance race (i.e., 50 free during 100 free).

**Awards:**

Medals will be awarded for places 1-6 and ribbons will be awarded for places 7-12 in individual events. Medals will be awarded for places 1-3 in relays. Heat ribbons will be awarded in the 10 & under age groups. Team trophies will be awarded in three age group categories (10 and under, 11-12, and 13-14).

One hard copy of the final results will be sent only if a written request is submitted with the entries.

**Warm-Up:**

Swimmers must enter the water with one hand in contact with the pool. During warm-up sessions each team will be assigned a specific lane for that warm-up period only.
